Dr. Kira Gulko Morse

## Reflection Assignment

Choose ONE of the following questions and provide a 3/4 - 1 page response (double-spaced, Times font, size 12). Make sure to indicate which set of questions you are answering.

1. Have you ever been in a situation where you (or somebody else) got the style requirements of a conversation completely wrong? What happened?
2. Are there people with whom you've interacted in multiple, very different contexts? (For example, a relative who was also your teacher at school or a friend who was also your server in a restaurant.) How did you deal with the situation linguistically?

## Additional Assignment: Emoji

Create a statement using Emoji, provide translation into English, and comment on what made it easier and/or more challenging in using images instead of the conventional language in this case. (You may use computer graphics or draw by hand and scan the image.)
